## Santa Mask Máscara de Papá Noel

Equipment:

- Large Paper plates
- Red card
- Cotton wool balls
- PVA Glue
- Scissors
- Elastic or wide lolly sticks (optional)

1. Cut out the inside of the paper plate leaving a circle big enough for a little face to fit!
2. If attaching elastic, pierce a hole in either side of the mask to feed it through and tie a knot to secure where required (make sure to try on first).
3. Cut large triangles out of the red card for Santa's hat.
4. Decorate around the bottom edge of the plate with cotton wool balls to make the beard
5. Add a cotton wool pompom to the top of the hat and give it some cotton wool fur trim if you like.
6. Stick the hat onto the top edge of the plate.
7. If not using elastic, sellotape a wide lolly stick to the bottom of the plate to help hold up the mask.
8. Let your little ones enjoy being Papá Noel!

You could even perform this session's song using the masks as a group activity once they are all dry!
